

Livestock and Land is proud to present:

DESIGNING AND INSTALLING LOW MAINTENANCE GRASS FILTER STRIPS

TOPICS INCLUDE:

- Site Specific Designs & Installation of Annual & Perennial Grass Filter Strips
- Designing Your Grassed Filter Strips
- Choosing the Correct Grass/Plant Species
- Site Preparation & Maintenance
- Irrigated vs Non-irrigated Filter Strips
- Annual vs Perennial Filter Strips
- And Much More!

This half-day workshop will feature a lecture by Rami Shihadeh, RCDMC Vegetation Expert on Vegetated Treatment Systems and Paul Robins, RCDMC Executive Director and Native Vegetation Expert. Following the lecture there will be a hands-on demonstration on installing a perennial and an annual filter strip.

SATURDAY, SEPTEMBER 20TH

8:30 AM - 12:00 PM

Plemmons Ranch, 22275 Berry Drive, Salinas

Registration and breakfast begin at 8:30am;
workshop is from 9am to 12pm.

Workshop is free but space is limited!

Please register ASAP by calling 831-424-1036 X 126
or 831-809-6509 or email dina.iden@rcdmonterey.org

Look for more workshops to be held in September and October on building an aerated composting system, geotextile installation and erosion control with straw bales.
